## ARE YOU A DAYTIME SUPERHERO? TUTOR APPLICATION WILL BE OPEN UNTIL 16<sup>th</sup> JANUARY

Now you have a chance to apply to become a tutor! We need active and responsible tutors for the academic year 2017-2018! The tutor application period is open 1.12.2016-16.1.2017.

In autumn 2017 there will be no English degree programmes starting in Kokkola or Ylivieska, but we are looking for exchange student tutors for Ylivieska and Kokkola. We are also looking for peer tutors for Pietarsaari, who will be trained separately.

You will experience unforgettable moments as a tutor! Among other things you will also develop your team working skills and make new friends. You will also get credits from being a tutor.

Apply via this link:

## KLAST IS COSTO NOW

Klast – Social and Health Care students' unit of Copsa – has changed its name to Costo!  
Activity of Klast is enlivening by explosive increase of board members. On the term 2017 we will have twice as much members than previous years!

By moving from Terveystie to Talonpojankatu all social and health care students will be better connected with other students on the shared student campus.

Among these modifications and growth of the union, the board of Klast decided to reform its name. Based on the proposals that we received from students by name competition the board unanimously voted for Klast to become Costo.

Costo wishes that your semester will be inspired by studying, cheered up by having fun and secured with welfare!
